NAMING CEREMONY OF *POSH SHEARWATER* AT ZHUHAI YARD

Over 50 distinguished management staff from POSH and PaxOcean together with their guests, witnessed the naming ceremony of POSH Shearwater at the PaxOcean Zhuhai yard.

POSH Shearwater sports the Rolls Royce UT755 Clean Design (CD) and is the second of a series of 3,200 DWT platform supply vessels ordered by POSH at the PaxOcean Zhuhai yard.

The POSH Shearwater and its sister vessel POSH Sandpiper, delivered in 2012, are versatile platform supply vessels with special provisions / modifications factored in the design for offshore crane, subsea and Oil Recovery Operation.

The vessel will also have DNV's high environmental performance Clean Design notation and AUT-OSV bridge design notation.

The vessel is scheduled for delivery later this year.
